The parties were given leave to file a proposed order. Unless there is an objection, it would be my belief that being a party would afford CCEBA the ability to file a proposed order.

Thanks,

David Butler

David:

1. Thank you for your Directive Order granting intervenor status for the Carolinas Clean Energy Business Association, ("CCEBA") in the above-referenced Docket.
2. To clarify, do we need a separate request to the Commission, asking if CCEBA can now file a proposed Order, or is it implicit in the granting of intervenor status, that CCEBA can now file a proposed Order, as was done by other parties in this Docket?
3. Please advise.

Regards,
Richard Whitt.
